ELiTY ART

ELiTY Art is the perfect place to find art you will fall in love with. As an intimate and inclusive environment, we provide a sense of sophistication in our collection that you can collect with authenticity and passion. Through this journey, confidence and audacity intertwine with genuine emotions to provide a connection that brings our clients one step closer to collecting art that is being true to their own emotions and taste. We go beyond simply selecting art for clients; rather, at ELiTY Art we are dedicated to providing our clients with an experience that will allow them to have an affection of ownership over their art pieces.

“WHISPERS FROM THE SKIES” collection, showcases Loredana Macovei ability to vividly capture the essence of cumulus and nimbus shapes. Through the use of abstract depictions, Loredana's paintings highlight the beauty of transformation and the fleeting nature of time, encouraging viewers to appreciate the ever-changing world around them. Every painting in this collection is a celebration of the beauty of nature's constantly evolving canvas. Loredana's masterful use of colors and brushstrokes creates a peaceful and dreamy atmosphere that will leave viewers mesmerized, making them feel as if they are suspended in the clouds, experiencing a moment of pure joy and happiness.

Artist Thomas Cole's captivating portrayal of clouds in the masterpiece "The Soul of All Scenery" has deeply influenced Loredana Macovei's work. This exceptional collection upholds the rich tradition of incorporating clouds in art, as Macovei continues to capture the very essence that breathes life into scenery.

A MOMENT FOR HEAVENLY REVERIE

LOREDANA MACOVEI

Loredana Macovei's is an artist hailing from the dazzling realm of New York. Her world is one of vibrant color and passionate emotion, a place where art and creativity flourished. She had always been fascinated by the beauty of butterflies, believing that each delicate creature embodied something special - courage, hope, resilience. These were qualities she held dear to her heart. As her own journey has been one of metamorphosis, Loredana's work is a metaphor for transformation, hope and courage to embrace life's endless unfolding. With each piece of Art work, Loredana begins a journey with a host of emotions which are expressed through choice of colors, materials, textures and form, offering the viewer a direct connection to her inner world. So, if you're ever looking for a reminder that beauty can be found even amidst adversity or doubt—look no further than the incredible works created by artist extraordinaire, Loredana Macovei !

WHISPERS FROM THE SKIES

LOREDANA MACOVEI

CAPTURING THE ELUSIVE NATURE OF BEAUTY ON CANVAS.

Loredana Macovei's latest collection of cloud-inspired artworks, *Whispers from the Skies : A Moment for Heavenly Reverie*, invites viewers to explore the dreamlike quality of clouds while revealing the complex interplay of colors, forms, and textures. Macovei's inspiration for this collection struck her while on an airplane, pondering the fact that her grandmother never had the opportunity to fly or witness clouds up close.

Loredana's works capture the ephemeral nature of clouds, which are constantly changing and shifting. This is especially evident in her impressionist pieces, which capture the essence of clouds in a few brushstrokes. This ability to capture the fleeting beauty of clouds is a testament to Loredana's skill as an artist.
